STATEMENT OF THE SUBSTANCE OF APPLICANT INITIATED INTERVIEW IN
ACCORDANCE WITH C.F.R. § 1.133(b)

Summarized below is the substance of a telephone interview between Examiner Hogans,
Examiner Whitehead, and the under signed attorney of record, held on March 17, 2004.

In the telephone interview, Examiner Hogans, Examiner Whitehead and Mr. Parker discussed
the incorrectness of combining Osenbach with any semiconductor device art. The parties agreed that
one skilled in the art would not make such a combination without using the claimed invention as a

blueprint.

The Applicants request the Examiner to telephone the undersigned attorney of record at (972) 480-8800 if such would further or expedite the prosecution of the present application.

Respectfully submitted,
